Allowances Querying & Reporting Tool

EPA's Clean Air Markets division has developed a tool that lorem ipsum onsectetuer adipiscing elit, sed diam nonummy nibh euismod tincidunt ut laoreet dolore magna aliquam erat volutpat. Ut wisi enim ad minim veniam, quis nostrud exerci tation ullamcorper suscipit lobortis nisl ut aliquip ex ea commodo consequat.

[Accounts](#): The Accounts folder provides access to current account information for all programs. Click here to begin your custom Accounts query.

[Allowances](#): The Allowances folder provides access to current allowance holdings for all programs. Click here to begin your custom Allowances query.

[Transactions](#): The Transactions folder provides access to both current and historical information on allowance trading for all programs. Click here to begin your custom Transactions query.

[Allowance History](#): The Allowance History folder provides access to information on the history of allowance blocks for all programs. Click here to begin your custom Allowance History Query.

[Quick Reports](#): The Quick Reports folder allows you to select from a list of reports providing frequently requested data. Click here to access common data quickly and easily.

[Pre-packaged Data Sets](#): Download allowance transaction and holdings data.

Descriptive text taken from current Allowances webpage.

Help

This new Home tab will be on all the pages and will navigate user back to Allowances Querying & Reporting Tool Home

Hovering Help box on every page. On click, content appears, as in next page.

Allowances

Select Program:

[Acid Rain Program \(ARP\)](#) (23,804 allowance blocks)

[NOx Budget Training Program \(NBP\)](#) (15,300)

[CAIR SO2 Annual Program \(CAIRSO2\)](#) (42,500)

[CAIR NOx Annual Program \(CAIRNOX\)](#) (106)

[CAIR NOx Ozone Season Program \(CAIROS\)](#) (28)

7 programs exist in total (only the 5 above return Allowances results):

- Acid Rain Program (ARP)
- NOx Budget Program (NBP)
- Ozone Transport Commission NOx Budget Program (OTC)
- Clean Air Interstate Rule (CAIRSO2) SO2
- Clean Air Interstate Rule (CAIRNOX) NOx Annual
- Clean Air Interstate Rule (CAIROS) NOx Ozone Season
- Clean Air Mercury Rule (CAMR).
